September 2021

Families of the Class of 2025,

Welcome to Stuyvesant High School and the start of an adventurous four-year journey. Our school is a magical place where our young people have the opportunity to explore their curiosities inside and outside of the classroom. Our young adults have access to a variety of opportunities in learning more about themselves, their interests, and their aspirations all in pursuit of developing the *intellectual, moral and humanistic values necessary to achieve his/her maximum potential as a student and as a caring citizen of the world.*

Stuyvesant offers a dynamic experience starting in the classroom with a wide range of academic courses (electives and Advanced Placement) in all subject areas and complemented by the swath of extracurricular activities (clubs, PSAL) before, during, and after school (and weekends). Our building is constantly abuzz with energy because our young people are actively engaging in a variety of activities that stimulate them and their peers. The Stuyvesant “experience” is one that is lived day by day. And day by day and experience after experience for the next four years the members of the Class of 2025 will learn more about who they are and who they want to become. Our role at the school is to guide our young people to navigate and actualize their individual pathway to self-sufficiency, success, and happiness.

As our students begin their Stuyvesant journey I ask them to *be brave, be curious*, and most importantly, *be kind*. We are a large community but the community becomes smaller and smaller each day, each year when we can introduce ourselves to new people and share our name, ask questions and learn something new about someone or something, and support each other to be the best version of ourselves. If each of us can be brave, curious, and kind, then we will all be heard, seen, and valued. It is the connections to one another that make Stuyvesant absolutely special.

We are so excited to have you join our Stuyvesant community and the experiences that await you. Let's get started!

Sincerely,

***Seung***
