

How do I obtain a Fee Waiver for SAT/AP/ACT exams? And College Applications?

The start of a new school year is a good time to review our policies regarding the distribution of fee waivers for the ACT & SAT exams.

**Who is eligible?** All financially disadvantaged students (as determined via completion of NYCDOE school lunch forms) are eligible for fee waivers for these exams. Each family must complete an [income verification form](#) each school year. Eligible meal codes are A, 1 and 2. Only 11<sup>th</sup> and 12<sup>th</sup> graders can use fee waivers for the ACT or SAT exams.

**How many times can an eligible student use a fee waiver for these exams?** In their lifetime, eligible students can use a fee waiver to register for the ACT twice, and the SAT twice. Fee waivers are considered to be used upon registration, not actually taking the exam; registering for an exam with a waiver but then not taking said exam still counts toward the limit on fee waiver use.

**Did the spring School Day SAT last semester count toward my fee waiver limit?** No, it did not.

**How may one obtain an exam fee waiver?** Eligible students request a fee waiver by emailing our College Office secretary, Ms. DeMasi. ***INCLUDE THE STUDENT'S NAME, OSIS NUMBER AND OFFICIAL CLASS IN THE EMAIL.***

Please know that **if you have ever registered for the SAT or an SAT Subject Test with a fee waiver, you do NOT need to request an additional waiver from the College Office to register for future SAT exams.** CollegeBoard will have a record that you are eligible for fee waivers and will automatically allow you to test for free when registering until you have met your limit.
