

Stuyvesant High School Parents' Association

June 2023

Dear Class of 2027 and new Class of 2026 Parents and Families,

Congratulations and welcome to Stuyvesant High School, a symbol of excellence in education for more than a century! You are now part of our exciting community, which offers students so many opportunities in math and humanities, music and science, arts and technology, and much more.

All parents and guardians of current Stuyvesant students are automatically enrolled in the Stuyvesant High School Parents' Association. To keep up to date with news and important announcements we encourage you to check our website www.Stuy-PA.org, subscribe to our Weekly E-News (<http://www.Stuy-PA.org/subscribe>), and follow us on Facebook (@StuyPA) and Instagram (@stuypa).

The all-volunteer Parents' Association has a 50-year tradition of supporting Stuyvesant students and faculty as they strive for the highest levels of achievement by:

- ✓ Advocating on behalf of our students, parents, teachers and school
- ✓ Raising funds to bring resources to teachers and classrooms that the City's budget cannot provide
- ✓ Applying for and receiving grants to improve our school's facilities
- ✓ Funding over 200 extracurricular activities, including the Speech & Debate and Stuy Pulse Robotics teams, high tech labs, after-school clubs, publications and more than 40 athletic teams
- ✓ Supporting Stuy's college counseling and guidance departments
- ✓ Hosting programs for parents regarding their children's education, mental health, and college planning

Our contributions ensure that all Stuy students have opportunities to flourish as innovators, journalists, researchers, poets, athletes, performers, engineers, and more. In order to continue our tradition of supporting Stuyvesant, we ask parents to donate to our Annual Appeal. Our goal is to raise \$1000 per student, but participation at any level is truly appreciated – there is no amount too small or too large. Please donate to our Annual Appeal with the included form or online at:

<http://www.Stuy-PA.org/donate>

As you begin your journey through Stuyvesant, we encourage you to reach out and connect with other parents and guardians during PA events, by volunteering at school and PA activities, and through social media. You will find the Stuy community members ready and willing to help each other to ensure our children succeed in their ambitions and have the support they need.

We look forward to meeting you at Camp Stuy in August or early September and at our first general membership meeting in September. We hope that you will consider joining us as a volunteer. Getting involved is one of the best ways to learn more about the school and meet other Stuy families – you can learn more about Stuy PA volunteer opportunities using this [2023-2024 Volunteer Interest Form](#).

Welcome to the Stuyvesant High School community!
