This weekly bulletin informs students, parents, and staff about internships, academic programs, jobs, community service options, and leadership initiatives, along with other student opportunities in a variety of fields. Please carefully note deadlines, age requirements, and other pre-requisites for participation.

These various opportunities utilize different formats. Some are in-person, some remote, and some have a hybrid arrangement. Check each program for their specific format and schedule. Students should consider applying to any that match their interests and talents. **Some program deadlines are fast approaching** – please do not miss them!

For ease of use, these newsletters are organized by different categories, such as

Academic Programs, Business Internships & Jobs, STEM Opportunities, Community Service, and so on.

Questions, suggestions, and information about other opportunities are always welcome and appreciated, and may be sent to Internship/Opportunity Coordinator Harvey Blumm at: [hblumm@stuy.edu](mailto:hblumm@stuy.edu) - we will share your helpful information with the Stuy community!

IN this new edition we've provided a separate **College Prep** section, with information about college admissions support programs and selected upcoming college events of interest to high school students.

There are a number of other excellent opportunities in this issue with fast-approaching deadlines - including (just to highlight a few):

ACADEMICS: Many private colleges & universities offer “**pre-college**” courses each term for high school students. These classes can be costly, but some offer financial aid to eligible students. **Columbia and Cornell's** upcoming offerings may be found in this section. Of course, the **CUNY College Now** program at campuses around the city offers free college-level courses for juniors, seniors, and, in some cases, sophomores – **City College & John Jay College's** spring classes are already posted online, with others to follow in the coming weeks.

BUSINESS: **NYC Exploring** welcomes all students to participate in their series of after-school sessions with professionals from companies & organizations in a variety of fields, including Business, Engineering, Law, Medicine, and more. A new medical opportunity from **Lenox Health Greenwich Village** has recently been added. The

**Yale Entrepreneurial Society Fellowship** welcomes applications from all students with an interest in business – the application deadline is Sunday, October 22<sup>nd</sup>!

COMMUNITY SERVICE: **Fort Greene Park** in Brooklyn welcomes helpers for its Halloween-themed activities on Friday, 10/28 – all students may apply.

LEADERSHIP/GOVERNMENT: **AMP Global Youth** offers a variety of low-cost leadership & personal development virtual workshops for high school students – some begin at the end of this month. Our ever-helpful **Alumni Association’s Student Mentoring Program** is a great opportunity to learn from successful, supportive Stuy alums about careers, college, interview/resume skills, and much more; the application deadline is 10/31. And a number of international travel/study programs, including the free **NSLI Language & Project Bridge** programs, have fast-approaching deadlines.

PARKS/NATURE: There is a virtual information session for the Brooklyn Botanic Garden **Garden Apprentice Program (GAP)** on October 28<sup>th</sup>. This program runs from March to November (including summer), pays a stipend, and is open to current 9<sup>th</sup>, 10<sup>th</sup>, and 11<sup>th</sup> graders.

STEM: The Navy Department’s **SEAP Science and Engineering Apprenticeship** program for students 16 and older (by summer) has nationwide sites, with some locations in the metropolitan area (no housing is provided; participants receive a \$4,000 stipend) – the application deadline is November 1<sup>st</sup>. The **Museum of Mathematics Expansions Gifted Math Classes** for high schoolers begin on Sunday, October 22<sup>nd</sup>. And the “**Vet UP**” **veterinary program** also has an 11/1 deadline.

THEATER/PERFORMING ARTS: The **NYU/Tisch School of the Arts** offers free spring term programs in drama, dance, music, film writing, and more – 9<sup>th</sup>, 10<sup>th</sup>, and 11<sup>th</sup> graders may apply. The **Lucille Lortel Playwriting** program is open to all grades. And the **Scholastic Art & Writing Awards** contest welcomes submissions from all students.

### Events of Interest to Students:

**New: *Event Approaching:* Mitigating Natural Disaster Risks with NASA!**

“Discover the cutting-edge technology NASA is using to aid in emergency relief and reduce the impact of natural disasters through their Advanced Air Mobility Program and ACERO project. **New: *First Class Approaching:***

### **Museum of Mathematics Expansions Gifted Math Classes**

“Do you know a gifted high schooler who loves math and mathematical explorations? *Expansions*, MoMath's after-school gifted program, is pleased to offer the *Icosahedron* track for students in grades nine through twelve.

Join award-winning mathematician Chaim Goodman-Strauss for hands-on, interactive mathematical explorations. Learn about hyperbolic geometry and roll up your sleeves to make actual hyperbolic planes. Explore complexity and the theory of computation by playing with unusual tiling problems. Plus, by making tape-and-scissor surfaces, learn to apply topology to a cutting-edge theory of symmetry. And be sure to bundle up for class — at times, we'll take all this outside, making things large!

Chaim is the winner of the 2021 Rosenthal Prize for Innovation and Inspiration in Math Teaching and a co-author with John H. Conway and Heidi Burgiel of *The Symmetries of Things*, a comprehensive book surveying the mathematical theory of patterns.

As a track in the *Expansions* program, *Icosahedron* is designed to challenge and inspire mathematically-talented students throughout New York City, and beyond.

Classes will be held (**in person**) at MoMath on **select Sundays, from 3:30 pm to 5:00 pm, starting on October 22.**

Limited seats are available and spots are expected to fill fast, so register soon!

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: [hblumm@stuy.edu](mailto:hblumm@stuy.edu)

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at [hblumm@stuy.edu](mailto:hblumm@stuy.edu) with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students.**
