October 18, 2023

Dear Stuyvesant Community,

The safety and well-being of all students and staff members at Stuyvesant High School remain our highest priority. To this end, we are sending you this second notice to update you of the potential threat that was made against our school via email.

Consistent with our established safety protocols, we immediately reported the potential threat to NYPD. Following its investigation, NYPD determined that the alleged threat was not credible.

We have continued all regularly scheduled classes and activities inside of the school building today. However, out of an abundance of caution, students are remaining in the building during lunch and free periods. School safety agents, NYPD and staff are continuing to monitor the situation and there will be increased school safety and NYPD presence during dismissal. We are reminding students to stay vigilant as they travel to/from school.

Additionally, after-school activities will continue as planned today. Students may leave the building after their scheduled day and re-enter the building until 4:00pm.

We assure you that every precaution was taken and will continue to be taken to ensure the safety of our students and staff.

We look forward to your continued partnership as we work together to ensure that Stuyvesant continues to provide the best and safest learning environment possible for all its students. If you have any questions, then please feel free to contact Ms. Ingram at RIngram3@schools.nyc.gov.

We remain committed to ensuring that every child will be safe in school.

Sincerely,

Seung C. Yu
