December 4, 2023

Dear Families,

New York City Public Schools (NYCPS) are dedicated to ensuring that every student can learn uninterrupted, including during disruptions caused by building closures. To accomplish this goal, we want to make sure that our students and staff are prepared for successful remote learning. NYCPS has developed a practice plan to support and improve schools' readiness in the event a transition to remote learning is necessary.

To better prepare for any future building closure, we ask all students to complete a **Remote Learning Readiness Survey 2023-2024** so that we can collect important information about our school's readiness. The questions on the form will focus on availability of a personal device and accessibility to internet (Wifi) in the event the school must transition to remote learning. We will send the form to every student's [stuy.edu](mailto:stuy.edu) email on Tuesday (12/5/23) morning and to be completed by **12:00 pm on Friday (12/8/23)**.

Thank you for your cooperation in completing the form. Please contact Ms. Dina Ingram at [RIngram3@schools.nyc.gov](mailto:RIngram3@schools.nyc.gov) if you have any questions or concerns.

Sincerely,

*Seung C. Yu*
