Leadership in Financial Education (LIFE) Spring Workshops

“LIFE provides aspiring youth from under-represented and under-resourced communities with experiential training workshops designed to encourage life-long financial responsibility. LIFE collaborates with New York City businesses to offer **professional internship opportunities** in conjunction with its financial teachings. LIFE participants gain skills and knowledge to equip them to make sound financial decisions which will positively impact their present-day success as well as the livelihood of future generations. This upcoming spring, we are hosting six financial literacy focused workshops. The workshops are hosted at Sidley Austin, a top global law firm. Workshop participants will have the opportunity to strengthen their understanding of financial literacy while also building relationships with students from other schools and gaining exposure to a corporate setting and corporate professionals.”

***Deadline Approaching:* Future Engineers Power to Explore Challenge**

“Your challenge is learn about nuclear ‘batteries’ that power space exploration and dream up a new space mission. Your task is to plan a mission that uses Radioisotope Power Systems (RPS) to explore a location with limited light. RPS enables exploration to the deepest, darkest, and dustiest places, and NASA wants to hear where you would go, what you would explore, and how you would use this special power to achieve mission success.

Fifteen national semifinalists in each grade category (45 semifinalists total) will receive a NASA RPS Prize Pack. Three national finalists in each grade category (9 finalists total) will receive an exclusive virtual session with a NASA RPS expert. One grand prize winner from each grade category (3 grand prize winners in total) will receive a trip for two to NASA’s Glenn Research Center in Cleveland, Ohio, to learn about the people and technologies that power NASA missions.”

Working Papers: Some summer jobs, internships, and programs do require students 14-17 years old to obtain working papers (official name: employment certificates). The necessary application form may be obtained from Mr. Myles Sebastien (who can explain the procedure and answer any questions) in the Stuyvesant Guidance Office (Room 236) between 8:00am – 3:30pm. Check the BUSINESS category for a link with more information.

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: hblumm@stuy.edu

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at hblumm@stuy.edu with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students.**
