February 16, 2024

Dear Juniors (Class of 2025) and Families,

We will administer the in school digital SAT to all Juniors on two separate dates in March and April. With the transition to a digital version for the SAT, we can only test half of the cohort per test date to ensure we have adequate hardware, bandwidth, and personnel for a successful administration.

The two administration dates are below:

- **March 22, 2024:** **9:00 AM - 12:00 PM**
- **April 19, 2024:** **9:00 AM - 12:00 PM**

We will randomly assign students to one of the two dates for the in school SAT. We will not take preference requests so please be prepared for either of the two dates when you are assigned. We will send you weekly notifications as we solidify details of your assigned test date and the necessary resources you will need on test day.

Stuyvesant will automatically register all Juniors to take the exam and there is no cost to students/families for this in school SAT administration. Please note, students are not required to take the exam, and no notification is necessary to the school if you decide to *not* take the exam during this in school administration.

In preparation for the digital version of the SAT, we recommend that you familiarize yourself with what to expect and to practice this new version of the exam. We recommend you read the [Spring 2024 SAT School Day Student Guide](#) and visit the College Board site for more information about the SAT. Stuyvesant has provided you with SAT prep software to support your preparation at PrepScholar. [PrepScholar](#) provides self-paced adaptive test prep focused on more than 100 skill lessons and 7,100+ practice questions with explanations. You received an email in the Fall to your *stuy.edu* account for this test prep opportunity - you can reset your password by clicking on [Reset Your Password / Log In](#). We encourage you to start using the platform immediately to become more familiar with the digital version of the SAT.

Students who have any questions, please contact Ms. Fanelli at gfanelli@schools.nyc.gov or Room 209. Parents may reach out to Ms. Ingram at ringram3@schools.nyc.gov.

Sincerely,

Seung C. Yu, Ed.D
Principal
