This weekly bulletin informs students, parents, and staff about internships, academic programs, jobs, community service options, and leadership initiatives, along with other student opportunities in a variety of fields. Please carefully note deadlines, age requirements, and other pre-requisites for participation.

For ease of use, these newsletters are organized by different categories, such as Academic Programs, Business Internships & Jobs, STEM Opportunities, Community Service, and so on.

Questions, suggestions, and information about other opportunities are always welcome and appreciated, and may be sent to Internship/Opportunity Coordinator

Harvey Blumm at: hblumm@stuy.edu - we will share your helpful information with the Stuy community!

There are many excellent opportunities in this issue - including several highlighted below. The mid-winter recess next week is a very good time to explore and apply to various spring & summer programs – students should take advantage of this time off and apply to any preferred opportunities. Remember that it is fine to apply to and be accepted by several different programs – you can then just pick the one(s) that are your best fit and decline the others (in a timely way).

And please note that many programs have **March 1st** application deadlines!

EVENTS: All students may attend the in-person Community Board 14 **Youth Programs Summer Fair** on March 6th – the focus is on programs for that borough, but some citywide options will be represented as well. And the NY Hall of Science in Queens offers a **Resume/Cover Letter Workshop** on 2/20 – open to all students (along with their free **STEM Night** on 2/22, which will cover A.I. and other innovative Tech developments).

BUSINESS/JOBS: The **NYC Votes paid internship** is accepting applications from all students until **February 23rd**.

LEADERSHIP/LAW/GOVERNMENT: **Service in Schools** is a free leadership training program for current 9th, 10th, and 11th graders, scheduled for the April school vacation break – participants learn to develop successful community initiatives. The **Sadie Nash summer leadership program** for all female and gender-expansive students is now online. And the **KACE Grassroots Internship** program for 9th, 10th,

and 11th graders offers training on public campaigns to help NYC neighborhoods, with as focus on the Korean-American community – all may apply.

STEM: A new **MIT Beaver Works** spring online set of courses is open to all freshmen & sophomores – the application deadline is **February 21st**! They also offer the free, one-week **LL Cipher Cybersecurity** summer in-person program on the MIT campus – students must provide their own residential & transportation arrangements. And current juniors may apply for their two-week **LL Rise Engineering/Radar Technology** in-person summer program.

The Bloomberg Company welcomes applications for its paid summer **Software Engineering High School Internship**, for students with prior programming language skills – the application deadline is **February 23rd**!

And the May 4th in-person **Perry Initiative event at NYU Langone Hospital** in Manhattan is now accepting applications from all female or gender-expansive sophomores & older who are interested in medicine & healthcare careers – spots are limited.

THEATER/PERFORMING ARTS: The free **Summer Arts Institute** at Frank Sinatra High School in Astoria has extended its application deadline to 2/23 – 9th, 10th, and 11th graders interested in music, dance, theater, art, and other performance arts may apply.

Wave Hill Youth Internships

Wave Hill offers two internships for students interested in field experiences and ecology.

1- Woodland Ecology Research Mentorship (WERM)

“Wave Hill’s WERM is a 14-month program offering motivated students a unique opportunity to gain in-depth knowledge of ecology and participate in hands-on fieldwork and authentic science research. WERM interns directly contribute to these efforts by participating in important field research with local scientists and restoration

practitioners—all while getting paid! Benefits include **\$3,500** in compensation, including stipends, merit scholarships and transportation benefits, receiving up to nine college credits upon successful completion of three courses, receiving career and college advice and access to Wave Hill’s alumni network.”

Eligible: All students who will be at least 16 years old by May 1; preference to applicants who live in the Bronx or Upper Manhattan

Dates: July 2024 – August 2025

Location: Various (TBD)

Cost: Free

New: Rose Hulman Institute of Technology Summer STEM Programs

“Make Summer 2024 the best ever by designing, building, problem-solving, experimenting, and having a blast at (or with) Rose-Hulman, one of the country's leading STEM institutions. Hear more about our opportunities, see some of our world-class facilities, and learn more about one of the best STEM schools in the country where your students could call home this summer.”

1 - Rose Power

“If you are a high school girl with an interest in science, math, and engineering and want to build your technical skills, Rose Power is a perfect fit. You’ll work in Rose-Hulman’s innovation centers under the guidance of our faculty and students. By the end of the week, there won’t be a tool or machine you haven’t conquered. This camp will empower you to build any widget or gadget you can imagine.”

Eligible: Current freshmen who identify as a woman

Dates: June 16 - 21 **OR** June 23 - 28

Location: Rose-Hulman Institute of Technology, Terre Haute, Indiana

Cost: \$1,550

Application Deadline: **April 1**

2 - Project Select

“Project SELECT is a week-long science and engineering camp that's exclusively for students during the summers after their freshman or sophomore years of high school. In Project SELECT, you'll build on your existing science and mathematics knowledge as you connect it to modern engineering applications, get hands-on experience working with Rose-Hulman professors to explore how science can be applied to solve difficult problems. You'll test your designs using state-of-the-art equipment.”

Eligible: Current Freshmen and Sophomores

Dates: July 14 - 20 **OR** July 21 - 27

Location: Rose-Hulman Institute of Technology, Terre Haute, Indiana

Cost: \$1,550

Application Deadline: **April 1**

Link: <https://www.rose-hulman.edu/admissions-and-aid/early-planning/project-select/index.html>

3 - Operation Catapult

“Operation Catapult is an exciting summer camp experience full of science, engineering, and STEM opportunities that allow high school juniors or seniors to reach into robotics, or do cool things like brew biodiesel or make a machine from scratch. Our goal is to integrate and supplement your previous learning, explore fundamental scientific and engineering principles and systems, and provide an

opportunity for group living in a campus setting. By completing Operation Catapult, you'll receive two hours of free elective credits at Rose-Hulman.”

Eligible: Current Sophomores and Juniors

Dates: June 4 - 14, June 18 - 28, **OR** July 9 - 19

Location: Rose-Hulman Institute of Technology, Terre Haute, Indiana

Cost: \$2,600

4 - Creation Crates

“Creation Crates is an opportunity to design your engineering experiments at home! With a kit of materials delivered to your doorstep, you will work directly with a Rose-Hulman Mechanical Engineering faculty mentor to design, build, and test a series of experimental apparatuses, use your setup to take experimental measurements and analyze the trustworthiness of your results. You will also learn about life at Rose-Hulman by getting to know a current student and taking a virtual tour of the campus.”

Eligible: Current Sophomores and Juniors

Dates: July 17 - 21

Location: Virtual

Cost: \$500

Application Deadline: **April 17**

Link:

Women in Computing at Cornell Programming Workshop

“This year, Cornell and Cornell Tech will partner with Women in Computing at Cornell (WiCC) to host a hands-on programming contest workshop to build and practice skills for students with less experience competing. Our goal is to prepare you for our April contest. This workshop is open to all, but focused on women and students from groups underrepresented in computer science to create a diverse, inclusive and egalitarian competition. The workshop will include problems from prior contests ranging from “very easy” to “medium-hard”. The participants will be grouped into teams of three that range in levels of programming experience. Only limited programming experience is required. You should be able to write some code in C++, Java (not JavaScript), or Python. You can see sample questions from previous years [here](#).”

Eligible: All female students with an interest in computer science

Deadline Approaching: Icahn School of Medicine High School Summer Program

"At the Icahn Center for Excellence in Youth Education (CEYE), we help more than 200 students each year from grade seven through college prepare for careers in science and health care. As a unit of Mount Sinai Health System's Office for Diversity and Inclusion, CEYE operates a range of school-year and summer programs geared to youth belonging to groups that are low-income or underrepresented in medicine."

1 - Introduction to Bioinformatics Course is a course designed to teach high school students the basic concepts of cellular and molecular biology, genomic science, and computer programming.

2 - Medical and Scientific Exploration is an online course designed to guide students through different laboratories or clinical departments within the Mount Sinai Health System through the real world application of scientific concepts.

3 - The Internship Placement Programs are programs designed to expose rising seniors to various careers in the scientific and medical field. **The Hospital Placement Program** gives students exposure to health careers while enhancing their basic science knowledge and research skills. **The Veterinary Sciences Program** is designed to expose students to the veterinary sciences in a biomedical research environment.

The DR MMEN is a program designed to promote career advancement in the medical field for underrepresented communities.

Eligible: All students who identify as an underrepresented minority (African American, Latino, Native American, or Alaskan American) **or** meet low-income economic criteria.

For the DR MMEN program you must identify as an African American or Latino male and be a current junior.

Dates: July 1 – August 9

Location: Mostly virtual (Introduction to Bioinformatics & Medical and Scientific Exploration); In-person (All Internship Placement Programs)

Cost: Free

NYC Exploring Careers Program – Lenox Health Sessions

“Students interested in learning about different career paths can join the NYC Exploring program. It uses in-person & virtual weekly or bi-weekly after-school sessions to introduce students to a wide variety of careers. All are welcome to join the next **medical/healthcare-focused session at Lenox Health** in Manhattan on February 15. By opening the doors of **businesses, non-profit organizations, and law enforcement agencies** to young people, the program gives students first-hand

information about what specific careers actually entail. This helps them sustain the motivation to achieve their goals.

Here's a quick list for your convenience of the programs we have scheduled:

New: Reynolds Young Writers Workshop

“The Reynolds Young Writers Workshop is open to qualified students – for three decades, talented high school juniors and seniors to-be have been welcomed to Denison University in Granville, Ohio, for the acclaimed [Reynolds Young Writers Workshop](#). The workshop is an eight-day residential program that incorporates small creative writing workshops, group sessions with Denison creative writing faculty and notable visiting writers, and much more.

Only 48 students get the chance to come to The Hill to participate each June. That means students experience small, intimate writing workshops and one-on-one interactions with people who have made writing their career. It's a great way to connect with a close-knit community of writing teachers, mentors, and peers from around the world.

The program fee for the on-campus workshop, including tuition, housing, and meals for the 8-day program, is **\$1,500**. (On-campus residency is required.) We encourage all students to apply, regardless of your financial situation. Generous **FINANCIAL ASSISTANCE**, made possible through the Reynolds Endowment, is available based on need. A simple financial aid request form is included in the online application. There is NO application fee.”

Eligible: Current 10th and 11th graders

Dates: June 22 – June 29

Location: Denison University, Granville, Ohio

Application Deadline: March 1

Cost: \$1,500 – Financial aid available for eligible students

General List of Available Scholarships via Fastweb

<https://www.fastweb.com/college-scholarships/articles/scholarships-for-high-school-seniors>

***New:* Stuyvesant Alumni Association Scholarships**

The Stuyvesant Alumni Association awards more than 40 scholarships totaling more than \$100,000. These scholarships are available only to Stuyvesant seniors. (There is one scholarship available to juniors, The Carol and Theodore Lerner Award for Creativity).

Some answers to common questions on the FAFSA/providing financial information:

- If the students have already provided their colleges with the CSS Profile, they can submit that form in lieu of the FAFSA, but only if they did not submit a FAFSA.
- If the student never filed either the CSS or FAFSA because they are not a citizen or legal permanent resident, they should be sure to state it's because they are not a citizen or legal permanent resident in the "Financial aid information" question on the application. All information submitted by the

students in their application is kept to the strictest confidentiality. All of the staff and any scholarship committee members, as well as any other additional parties who read the scholarship applications, must sign and adhere to a confidentiality agreement.

- Students must provide the financial information listed in the checklist in some form, even if they submit a one-page doc with all of it listed out.

If you have any questions, please email alumni@shsaa.org.

Eligible: All Seniors (one scholarship is available to juniors)

Application Deadline: **April 26** (9:00 PM EST)

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: hblumm@stuy.edu

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at hblumm@stuy.edu with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students.**
