This weekly bulletin informs students, parents, and staff about internships, academic programs, jobs, community service options, and leadership initiatives, along with other student opportunities in a variety of fields. Please carefully note deadlines, age requirements, and other pre-requisites for participation.

For ease of use, these newsletters are organized by different categories, such as Academic Programs, Business Internships & Jobs, STEM Opportunities, Community Service, and so on.

Questions, suggestions, and information about other opportunities are always welcome and appreciated, and may be sent to Internship/Opportunity Coordinator

Harvey Blumm at: hblumm@stuy.edu - we will share your helpful information with the Stuy community!

There are many excellent opportunities in this issue - including several highlighted below. Remember that it is fine to apply to and be accepted by several different programs – students can then just pick the one(s) that are the best fit and decline the others (in a timely way).

And please note that many programs have approaching **March application deadlines!**

EVENTS: There is a large in-person **College Fair** at the Javits Center in Manhattan this Sunday, March 10th – many colleges will be represented, along with a number of information sessions on financial aid, admissions advice , and more. All are welcome.

BUSINESS/JOBS: All seniors may apply for paid summer internships at the **Brooklyn Navy Yard Business Complex**. Many different positions are available – the application deadline is **March 15th**! And the application deadline for the **NYC Summer Youth Employment Program (SYEP)** has been extended to March 15th

LEADERSHIP/LAW/GOVERNMENT: The **Sadie Nash Summer Leadership Institute** is a free one-month hybrid program for students who identify as female and/or gender-expansive. The federal **National Labor Relations Board** offers their virtual, part-time **Student Ambassadors** free summer program, which engages students in projects related to law and government protection of workers' rights.

STEM: The **Weill Cornell Meyer Cancer Center's Summer Research Internship** is accepting applications until **March 15th** – all students 16 and older (by March 8th)

may apply. **Brookhaven National Laboratory** in Long Island is holding an in-person six-week summer research program, focused on current 12th graders (juniors may also apply). This is a commuter program, no residential arrangements are available.

Stuyvesant Alumni Association Scholarships

The Stuyvesant Alumni Association awards more than 40 scholarships totaling more than \$100,000. These scholarships are available only to Stuyvesant seniors. (There is one scholarship available to juniors, The Carol and Theodore Lerner Award for Creativity).

Some answers to common questions on the FAFSA/providing financial information:

- If the students have already provided their colleges with the CSS Profile, they can submit that form in lieu of the FAFSA, but only if they did not submit a FAFSA.
- If the student never filed either the CSS or FAFSA because they are not a citizen or legal permanent resident, they should be sure to state it's because they are not a citizen or legal permanent resident in the "Financial aid information" question on the application. All information submitted by the students in their application is kept to the strictest confidentiality. All of the staff and any scholarship committee members, as well as any other additional parties who read the scholarship applications, must sign and adhere to a confidentiality agreement.
- Students must provide the financial information listed in the checklist in some form, even if they submit a one-page doc with all of it listed out.

If you have any questions, please email alumni@shsaa.org.

Eligible: All Seniors (one scholarship is available to juniors)

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: hblumm@stuy.edu

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at hblumm@stuy.edu with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students.**
