Academic Programs:

List of Some Private College Pre-College Programs (Spring & Summer)

Many colleges offer "precollege" classes that high school students can take to increase their knowledge of certain subjects, experience what college courses are like, and, in some cases, earn college credits. Some offer financial aid. Here is a link to some options:

New: Hunter College College Now Summer Program

"Hunter's College Now program focuses on courses for college credit and other enrichment activities in the humanities, arts, social sciences, sciences and mathematics, all taught by our own full-time or adjunct faculty. Our mission is to introduce high school students of varying skill levels to the rigors and rewards of higher education by connecting them to high-quality scholarship and instruction. All NYC Public High School students participate for free."

Eligible: Current 10th and 11th grade students

Dates: July 12 - August 16

Location: 695 Park Ave, Manhattan

Examples of Courses Offered: Principles of Epidemiology, Chemistry, Physics, Elementary Statistics, Introduction to Environmental Geoscience

Scholarships:

Stuyvesant Alumni Association Scholarships

The Stuyvesant Alumni Association awards more than 40 scholarships totaling more than $100,000. These scholarships are available only to Stuyvesant seniors. (There is one scholarship available to juniors, The Carol and Theodore Lerner Award for Creativity).

Some answers to common questions on the FAFSA/providing financial information:

- If the students have already provided their colleges with the CSS Profile, they can submit that form in lieu of the FAFSA, but only if they did not submit a FAFSA.
- If the student never filed either the CSS or FAFSA because they are not a citizen or legal permanent resident, they should be sure to state it's because they are not a citizen or legal permanent resident in the "Financial aid information" question on the application. All information submitted by the students in their application is kept to the strictest confidentiality. All of the staff and any scholarship committee members, as well as any other additional parties who read the scholarship applications, must sign and adhere to a confidentiality agreement.
- Students must provide the financial information listed in the checklist in some form, even if they submit a one-page doc with all of it listed out.

If you have any questions, please email alumni@shsaa.org.

Eligible: All Seniors (one scholarship is available to juniors)

Working Papers: Some summer jobs, internships, and programs do require students 14-17 years old to obtain working papers (official name: employment certificates). The necessary application form may be obtained from Mr. Myles Sebastien (who can explain the procedure and answer any questions) in the Stuyvesant Guidance Office (Room 236) between 8:00am – 3:30pm. Check the BUSINESS category for a link with more information.

If you are selected for or enroll in any of the above opportunities, please inform Mr. Blumm ASAP at: hblumm@stuy.edu

Whichever extra-curricular program, internship, or community service activity a student may participate in, they should be sure to ask their supervisor/coordinator to write a letter of appreciation before it concludes – it is sometimes very difficult to obtain this later on. And the more personal & detailed the letter, the better. A copy should then be submitted to your counselor.

Please feel free to contact Harvey Blumm at hblumm@stuy.edu with any questions or feedback on any items in this message, or with any suggestions or concerns you may have. **And always feel free to share any information about opportunities that may be of interest to our parents, teachers, or students.**
